YOUR FRIENDLY TEAM

Karen, Sandra and Kirsty

Together our ladies bring over 50 years of experience in school photography and customer support, ensuring you receive the very best possible service.

We have the experience

'Vancols is a family business with my mother's old-fashioned ethics of value, customer service and quality at its heart.'

Since 1957 we have made a lot of technical improvements, but we are still at our foundation, a family business, with a Team made up of the most dedicated, talented and diligent people.

In over 65 years we have seen many changes and we still remain a market leader by continuing to be innovative in our processes and products.

We are always committed to implementing the latest improvements and technology in order to provide even better products for our customers and to make your role easier.'

PANORAMIC PHOTOGRAPHY

A panoramic photograph of the whole school is the ultimate souvenir of schooldays, and makes for a great discussion piece hanging in your school.

We are one of the few companies able to provide our own staging, which enables us to photograph groups of pupils easily and with minimum disruption.

Please see price list enclosed.

VIRTUAL TOURS AND AIR-PIC

Virtual Tours are proving to be a vital tool for Schools.

Our Aerial Photography offers an easier and more affordable way of capturing aerial imagery with amazing detail. We can produce high quality stills and videos with a unique perspective.

Our latest technology and experienced team can provide 'fly through' footage using our state of the art drone, working closely alongside you and your staff.

We have met and passed the strict CAA accreditation process required for undertaking, with full Public Liability Cover included.

BROCHURES AND PROSPECTUSES

Schools need to communicate their Ethos and Goals to potential and existing Parents. Brochures and Prospectuses are a great way of doing this. However, schools often feel that they are priced out of quality print by the high volumes needed to make it cost effective.

No need to worry ... Vancols can produce low volumes (as low as 50 copies) of high quality brochures at amazing prices. This helps you manage your finances by just ordering what you need, as often as you wish.

We have our own dedicated creative department who will work with you to design the layout, all the way through to print. Should you require creative photography, we can help with that as well.

This brochure is a fine example of the quality of our printing, created using the latest technology and equipment; another example of Vancols continuously investing in the latest technology.

We're sure you'll agree; the finished product is stunning.

With over 30 years' experience, we're waiting to help.

CREATIVE PHOTOGRAPHY

For School Visual Marketing – and for your Website!

In today's visually-led world, creative photographs of your School can capture the feel of the environment and cleverly communicate your ethos more immediately than words.

Our exciting and imaginative photography is renowned for style and quality and, more importantly, we take the time to find out exactly what you want your images to say.

We ensure that we provide a unique and bespoke collection of photographs and even moving images, for you to use throughout all your marketing.
